

**AMENDMENTS TO THE SPECIFICATION**

**Please replace the present title with the following amended title:**

**DATA COMMUNICATION SYSTEM INCLUDING A SERVER AND MOBILE  
COMMUNICATIONS DEVICE**

**AMENDMENTS TO THE CLAIMS**

**This listing of claims will replace all prior versions and listings of claims in the application:**

**LISTING OF CLAIMS:**

1. (original): A data communication system comprising a server having a first storage device in which a database is formed, and a mobile communication device for connecting to said server through a network line, wherein:

said mobile communication device includes:

a second storage device for storing a plurality of data signals each having different data types related to a mobile unit;

update condition holding means for previously holding an update condition for each of the data types; and

transmitting means for transmitting each of the data signals stored in said second storage device at a timing corresponding to an update condition held in said update condition holding means for each of the data types, and
